We have two defibrillators, one at the half way house and the other in the club house near the bar.

Scan the QR code for instruction on how to use a defibrillator.

PLEASE REPAIR ALL DIVOT AND PITCH MARKS AND KEEP UP WITH THE GAME IN FRONT

Why not treat yourself to some hot or cold food from our halfway house.

Our club house bar is a great place to discuss your game and sample the range of beers and soft drinks available.

Food also available.
